E-mail your submission as a Word document (*.doc)

Abstract Submission

Deadline: August 20, 2006

Questions

Please call the Ag Center: 530-752-4050

INSTRUCTIONS FOR ABSTRACTS

Registered attendees may submit an abstract at the Health & Safety in Western Agriculture: Research to Practice Conference. Please take this opportunity to submit your high quality abstract for the meeting.

- The total cost of the meeting is the same whether or not you submit an abstract.
- Submitting an abstract does not constitute acceptance or presentation of your work at the conference. Each abstract will be reviewed for merit and relevance to agricultural health and safety. To guarantee a position at the conference it is best to register early.
- Meeting and abstract space can potentially be full prior to posted deadlines.
- Abstracts will be reproduced as part of the event's program handouts.
- Abstract editing is the responsibility of the authors. Accepted abstracts will be reproduced in the program as received.

Format Abstract.

- Abstract must be saved as a Word document (*.doc). In your word processing program, go to the file menu and choose "Save As." Change the type to a Word document (*.doc).
- We suggest using Times New Roman or Helvetica font for your abstract and whenever possible, try to use the Symbol font in your file for your Greek and Scientific symbols (alpha, beta, gamma, etc.) to ensure correct syntax when the program is printed.
- Abstract submitter must underline their name in the list of authors.
- You may only submit one abstract for the meeting.
- Title should be followed by one return.
- Author List and Institutions should be followed by one return.
- Abstract size should not exceed 3.5" x 5" (88.9mm x 127mm).
- Margins for Letter size (8" x 11")
 - Top - 1" (25.4 mm)
 - Bottom - 5" (127 mm)
 - Left - 2.5" (63.5 mm)
 - Right - 2.5" (63.5 mm).
- These margins create the actual size your abstract will be published (four per page). Adjust font size and figure size as necessary. Do not shrink your font to less than 7 points. Abstract should be one page only.
- Provide any grant acknowledgments for your research (i.e., UC Davis Travel Award; NIH-AI-13028) at the end of your abstract.
