

WCAHS Fall Symposium Agenda

10.25.2018
International Center
UC Davis

8:30–9:00 **REGISTRATION AND LIGHT BREAKFAST**

9:00–9:15 **WELCOME**

Kent Pinkerton, PhD, WCAHS Director
Bill Krycia, WCAHS Chair, External Advisory Board

9:15–10:30 **WCAHS RESEARCH HIGHLIGHTS**

This session will provide updates on two core research projects and presentations by two WCAHS-funded students.

Christopher Simmons, PhD: Fumigation Alternatives
Fadi Fathallah, PhD: Ergonomics in Agriculture
Savannah Mack, PhD student: Air Quality in the Imperial Valley
Alena Marie Uliasz, MS: Language Access in Agricultural Workplaces

10:30–11:00 **BREAK AND POSTER VIEWING**

11:00–12:00 **PANEL: SEXUAL HARASSMENT IN AGRICULTURE**

This session will explore ongoing research, legal representation of farmworkers, and state efforts to educate workers about their rights.

Panel Lead: **Stephen McCurdy, MD, MPH, UC Davis**
Participants: **Kimberly Prado, MPH, UC Davis**
Emanuelle Klachky, UC Cooperative Extension
Blanca A. Bañuelos, JD, California Rural Legal Assistance, Inc.
Jennifer Hernandez, CA Labor & Workforce Development Agency

12:00–1:00 **LUNCH AND POSTER VIEWING**

1:00–2:30

RESEARCH ROUNDTABLES

This session will explore diverse agricultural health and safety research topics funded by WCAHS. Attendees will rotate between tables every 20 minutes.

Monica Cooper, PhD & Emanuelle Klachky: Farmworker Job Satisfaction
Jesus Fernández Bayo, PhD: Fumigation Alternatives—Factors for Adoption
Farzaneh Khorsandi, PhD: Cannabis and Worker Health and Safety
Michelle Ko, MD, PhD: Healthcare for Vulnerable Populations
Sanjai Parikh, PhD & Xiaoming Wan, PhD: Human Health Considerations Associated with Wildfire Ash and Biochar
Teresa Andrews, MS: Sexual Harassment Prevention Training in Agriculture

2:30–3:30

PANEL: SAFETY PERSPECTIVES FROM THE FARM

This session will explore persistent and emerging safety issues with perspectives from across agriculture.

Panel Lead: **Bill Krycia**, Zenith Insurance Company (formerly Cal/OSHA)
Participants: **James Stapleton, PhD**, UC Statewide IPM Program
Joe Del Bosque, Del Bosque Farms
Bryan Little, California Farm Bureau Federation

3:30–4:00

WRAP-UP AND CONCLUSION

Posters

Comparative Evaluation of Agricultural Pesticide Usage in Knights Landing and Capay Valley, California
Skye Kelty, Pharmacology and Toxicology

Knights Landing Environmental Health Risk Assessment Survey: The Power of Community-Based Participatory Research
Skye Kelty, Pharmacology and Toxicology

All-Terrain Vehicle Rollover Crash and Interventions
Farzaneh Khorsandi and Hsiao-Yang Chou, Biological and Agricultural Engineering

Organizational Factors and Sexual Harassment of Female Agricultural Workers in Napa, CA
Emanuelle Klachky, UC Cooperative Extension, Napa County

Health Effects of Airborne Particulate Matter Near the Salton Sea: A Community-Based Exploratory Project
Savannah Mack, Molecular, Cellular and Integrative Physiology

Mental and Emotional Health Care Accessibility and the Intersectionality of Smoking in Knights Landing California
Juan Carlos Ruiz Malagon, Chicano/a Studies

Workplace Sexual Harassment in Agriculture: Experiences, Perspectives, Attitudes, and Beliefs Among Men and Women Farmworkers in California, USA and Michoacán, MX
Kimberly Prado, Epidemiology

Voices of the Rain: Indigenous Language Justice in California
Alena Marie Uliasz, Community Development
